Description	Vikas Group of institutions, organized an awareness program on "World water Day" at Zphs School. Every day, people use water for drinking, agriculture, industry, recreation, hygiene, sanitation, and health care. Water resources are precious and finite. Warming temperatures and other natural and human-made stressors threaten to impact the quantity and quality of our water on a large scale. World Water Day highlights the essential role water plays in our lives and how we can better protect it.
