That sounds like a fantastic initiative! Raising awareness about the environmental impact of plastic and encouraging people to reduce their usage can make a significant difference. Here our college is going to organize a programme **"SAY NO TO PLASTIC"** awareness program to educate students and faculty about the environmental consequences of plastic pollution, the importance of reducing single-use plastic, and sustainable alternatives.

The phrase "Drive safe stay long" seems to convey a simple yet impactful message encouraging safe driving practices, particularly the importance of wearing helmets to reduce the risk of accidents. It reflects a concern for the well-being and longevity of individuals by emphasizing the need for caution and adherence to safety measures while on the road.

All the faculty members as well as the students are hereby informed that they are strictly restricted from entering into the college without helmets. Any staff or student is found guilty of not wearing helmet his/her driving license card is ceased by the security guards.

Hence it is informed that everyone cooperates at understand the sensitization of the issue. The above will observed and taken in action from 22-10-2022 onwards.
