Title of the Event	Tree Plantation Programme
Event Start Date	18.08.2022
Event End Date	18.08.2022
Description	The NSS Unit of the Vikas Group of Institutions has launched a tree-planting campaign. We have a moral obligation to preserve nature in all of its forms since it is essential to human existence. It is not difficult to imagine a world devoid of trees, one in which people would not be there. In addition, we have seen a decrease in contaminants and an improvement in the purity of the environment. One of the unfavorable consequences of the ensuing industrialization and urbanization is global warming. This event is a step in the right direction toward promoting environmental stewardship, restoring human interaction with the natural world, and promoting environmental health.
