Description	The Father of the Nation, Mahatma Gandhiji, lived by this credo. He advocated for, demonstrated, and insisted upon cleanliness throughout his life, both personally and in the community. Following in his footsteps, the Swachh Bharat Mission project received positive results. In addition, some Pathapadu village roads have hosted Shramdan festivities. Community people have been encouraged to take part in swachhta activities by students. Participating in Ramadan events has shown their dedication to and interest in upholding a clean environment.

Description	<p>On this event our college NSS unit conducted a rally NSS volunteers it is harmful to the environment. It takes 1000 years to decompose into smaller pieces, which seep down into the soil and release chemicals, which eventually reach the water supply. Kills animals in the water when they eat plastic bags thinking they are jellyfish Builds up in landfills Manufacturing of plastic bags is harmful to the environment because nonrenewable resources are used (petroleum and natural gas). Stores give out unlimited amounts of plastic bags for FREE even when the customer does not need one Cost in terms of energy and manpower is greater than the value of the material produced.</p>

Description	An initiative to plant trees has been organized by the NSS Unit of the Vikas Group of Institutions. Since nature is vital to our life, we have a moral duty to protect it in all of its forms. It's not too hard to envisage a world without trees, one in which humans would not exist. Additionally, we have observed a change in the environment's purity and a reduction in pollutants. Global warming is one of the negative side effects of the subsequent industrialization and urbanization. This event is a positive step toward fostering environmental care, reestablishing human touch with nature, and fostering a healthy environment.

Description	This is the motto of the Father of the Nation, Mahatma Gandhiji. Throughout his life, he promoted, exemplified, and demanded cleanliness on both an individual and communal level. The Swachh Bharat Mission initiative saw good outcomes after his footsteps. Additionally, Shramdan activities have been conducted in a number of Pathapadu village lanes. Students have urged members of the community to participate in swachhta activities. They have demonstrated their commitment and interest in maintaining a clean environment by taking part in Ramadan activities.

Description	Vikas Group of institutions, organized an awareness program on "World water Day" at Zphs School. Every day, people use water for drinking, agriculture, industry, recreation, hygiene, sanitation, and health care. Water resources are precious and finite. Warming temperatures and other natural and human-made stressors threaten to impact the quantity and quality of our water on a large scale. World Water Day highlights the essential role water plays in our lives and how we can better protect it.
