Andhra Pradesh-521212.

Respected Sir/Madam,

Subject: Sri Sarathi Institute of Engineering & Technology, Nuzvid requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Sri Sarathi Institute of Engineering & Technology

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Principal

This Memorandum of Understanding (MOU) is made on this 10th day of June, 2019 between:

Sri Sarathi Institute of Engineering & Technology, Nuzvid, Andhra Pradesh, India, represented by its Principal, Dr. R.V.V. Satyanarayana Rao, here in after referred to as SSIET;

And

Vikas Group of Institutions, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. B. Rama Mohana Rao, here in after referred to as VGTN;

Both SSIET and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, SSIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS
NUNNA - 521 212

The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants.

Respected Sir/Madam,

Subject: Amrita Sai Institute of Science and Technology requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Amrita Sai Institute of Science and Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Principal

Vikas Group of Institutions, Nunna, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. B.Rama Mohana Rao, here in after referred to as VGTN;

Both AMRN and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

MEMORANDUM OF UNDERSTANDING

05/07/2021

Respected Sir/Madam,

Subject: Lakireddy Bali Reddy College of Engineering requesting an MoU with Vikas Group of Institutions-reg

Greetings from Lakireddy Bali Reddy College of Engineering

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you

Respected Sir/Madam,

Subject: Sri Sarathi Institute of Engineering & Technology, Nuzvid requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Sri Sarathi Institute of Engineering & Technology

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Principal

This Memorandum of Understanding (MOU) is made on this 10th day of June, 2019 between:

Sri Sarathi Institute of Engineering & Technology, Nuzvid, Andhra Pradesh, India, represented by its Principal, Dr. R.V.V. Satyanarayana Rao, here in after referred to as SSIET;

And

Vikas Group of Institutions, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. B. Rama Mohana Rao, here in after referred to as VGTN;

Both SSIET and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, SSIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

PRINCIPAL/DIRECTOR

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants.

Vikas Group of Institutions, Nunna, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. B.Rama Mohana Rao, here in after referred to as VGTN;

Both AMRN and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

MEMORANDUM OF UNDERSTANDING

05/07/2021

Respected Sir/Madam,

Subject: Lakireddy Bali Reddy College of Engineering requesting an MoU with Vikas Group of Institutions-reg

Greetings from Lakireddy Bali Reddy College of Engineering

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you

9. Tenure and Termination:

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for one year, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution three months in advance. Once terminated, neither KTPC nor VGTN will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, KTPC and VGTN will ensure that all activities in progress are allowed to complete successfully.

10. Intellectual Property:

KTPC and VGTN agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MOU will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

Respected Sir/Madam,

Subject: Sri Sarathi Institute of Engineering & Technology, Nuzvid requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Sri Sarathi Institute of Engineering & Technology

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Principal

Both SSIET and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, SSIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

PRINCIPAL/DIRECTOR

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. 2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. MEMORANDUM OF UNDERSTANDING

Respected Sir/Madam,

05/07/2018

Subject: Lakireddy Bali Reddy College of Engineering requesting an MoU with Vikas Group of Institutions-reg

Greetings from Lakireddy Bali Reddy College of Engineering

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you

Respected Sir/Madam,

Subject: Sri Sarathi Institute of Engineering & Technology, Nuzvid requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Sri Sarathi Institute of Engineering & Technology

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Principal

MEMORANDUM OF UNDERSTANDING

Respected Sir/Madam,

05/07/2018

Subject: Lakireddy Bali Reddy College of Engineering requesting an MoU with Vikas Group of Institutions-reg

Greetings from Lakireddy Bali Reddy College of Engineering

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you

MEMORANDUM OF UNDERSTANDING

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.

Respected Sir/Madam,

Subject: Amrita Sai Institute of Science and Technology requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Amrita Sai Institute of Science and Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. MEMORANDUM OF UNDERSTANDING

Respected Sir/Madam,

05/07/2018

Subject: Lakireddy Bali Reddy College of Engineering requesting an MoU with Vikas Group of Institutions-reg

Greetings from Lakireddy Bali Reddy College of Engineering

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you
