Vinukonda Road, Petlurivaripalem, Narasaraopet (Mandal), Palnadu (Dist.), A.P. PIN:522601.

2. Scope:

The Scope of collaboration on academic and research activities in this Memorand Understanding includes the following categories:

1. Developing research projects jointly and avail funding.
2. Exchange of academic information, materials and facilities.
3. Students Exchange.
4. Faculty and Staff Exchange.
5. Advertising & Publicity
6. Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.
7. Commencement, renewal, termination and amendment.
8. Resolution of Disputes and Governing Law
9. Tenure and Termination
10. Intellectual Property

1. Developing research projects jointly and avail funding:

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2. Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

3. Students Exchange

3.1 Student Exchange Programs:

Both the parties agree to develop programs whereby the students of either organization can have the opportunity to study at the other organization with mutual recognition of the credit hours arising there from. It is desired by both organizations that there will be significant flow of students in exchange as reciprocal. Both parties agree to facilitate internship facilities for exchange students as mutually agreed. Pursuant to the specific agreement for academic exchange, AMRMCP and VGTN will exchange students according to the terms and conditions laid out by separate written agreement by both organizations.

3.2 Short Courses/ Summer School:

These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and

5. Advertising & Publicity:

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

6. Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.:

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

7. Commencement, renewal, termination and amendment:

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of the one years' period or in between the period of one year, it must notify the other organization not less than 30 days prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

8. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

9. Tenure and Termination:

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for three years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution one month in advance. Once terminated, neither NRICP nor VGTM will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, NRICP and VGTM will ensure that all activities in progress are allowed to complete successfully.

In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

4. Faculty and Staff Exchange:

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. KTPC and VGTN will exchange faculty according to the terms and conditions as mutually agreed upon.

Handwritten signature in blue ink.

5. Advertising & Publicity:

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

6. Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.:

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

7. Commencement, renewal, termination and amendment:

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of the one years' period or in between the period of one year, it must notify the other organization not less than 30 days prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

8. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India.

This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

9. Tenure and Termination:

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for one year, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution one month in advance. Once terminated, neither KTPC nor VGTN will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, KTPC and VGTN will ensure that all activities in progress are allowed to complete successfully.

10. Intellectual Property:

KTPC and VGTN agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MOU will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

PHARMACEUTICAL LABORATORIES

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is (hereinafter called as the "MOU") IS ENTERED into on this 20th day of November 2022

BY AND BETWEEN

Vikas Group of Institutions, Nunna (V) – Vijayawada Rural, Krishna District, Andhra Pradesh-521 212, Affiliated to JNTUK KAKINADA the first Party represented herein by its Principal Dr. P. S. Srinivas (herein after referred as First party, the Institution which expression, unless excluded by or repugnant to the subject or context shall include its successors in office, administrators and assigns).

AND

Party two is Shree Icon Pharmaceutical Laboratories., D.No.9-16-4, Labbipeta, Opp. Malabar Gold Shop, Vijayawada, Krishna District, Andhra Pradesh-520010.

WHEREAS

- A. First party is a Educational Institution named Vikas Group of Institutions.
- B. Party one is a reputed educational Institute that provides platform for conducting research in various fields namely formulation, analysis and so on.
- C. Party two is a reputed pharmaceutical laboratory, namely Shree Icon Pharmaceutical Laboratories., doing its services in screening and laboratory investigations aiding in research and development.
- D. First party and second party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources with enhanced opportunities.
- E. Both parties have agreed to carry out joint research -activity in the fields of Pharmaceutical manufacturing.
- F. Party two supports party one whenever feasible conduct national events, joint workshops, conferences, training programs within the area of mutual interest.
- G. The two organizations agree to share their respective important R&D facility in order to promote academic research.
- H. Party one willing fully agrees to pay the mutually quoted amount to party two for the proposed research development or technology transfer or any other professional needs that may be sought by party two.

Respected Sir/Madam,

Subject: Sri Sarathi Institute of Engineering & Technology, Nuzvid requesting an MoU with Vikas Group of Institutions - reg.

Greetings from Sri Sarathi Institute of Engineering & Technology

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Principal

(Approved by AICTE, Recognised by Govt. of A.P. & Affiliated to JNTUK, Kakinada)

MOU

This Memorandum of Understanding (MOU) is made on this 10th day of June, 2019 between:

Sri Sarathi Institute of Engineering & Technology, Nuzvid, Andhra Pradesh, India, represented by its Principal, Dr. R.V.V. Satyanarayana Rao, here in after referred to as SSIET;

And

Vikas Group of Institutions, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. B. Rama Mohana Rao, here in after referred to as VGTN;

Both SSIET and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, SSIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS
NUNNA - 521 212
Vijayawada Rural, NTR Dist., A.P.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants.

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS
NUNNA - 521 212

referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Paritala, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Nandigama, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

2. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party.

AND

Vikas Group of Institutions, Nunna (V), Vijayawada, and Andhra Pradesh, India, represented by its Principal, **Dr. P. S. SRINIVAS**, here in after referred to as **VGITN**.

Dr. P. S. Srinivas

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS
NUNNA - 521 212
Vijayawada Rural, NTR Dist., A.P.

Both **BWEC** and **VGTN** are collectively referred to as the Parties and individually as a Party.

WHEREAS, **BWEC** is an institution offering various undergraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, **VGTN** is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.

PRINCIPAL/DIRECTOR
VIKAS GROUP OF INSTITUTIONS
NUNNA - 521 212
Vijayawada Rural, NTR Dist., A.P.

- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party.

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.

 PRINCIPAL/DIRECTOR
 VIKAS GROUP OF INSTITUTIONS
 NUNNA - 521 212
 Vijayawada Rural, NTR Dist., A.P.

- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

BWEC:	VGTN:
Name of the IQAC Coordinator:	Name of the Coordinator:
Mrs. I.HARITHA	Dr. L. Mohan Krishna
Designation: Asst. Prof in EEE Dept.	Designation: Professor & Dean
Email id: haritha.vsp@gmail.com	Department of Pharmacy
Contact no: 8639742134	Email id: pharmacyvgtn@gmail.com
	Contact no: 79954 27798

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of Three years from **September 2022 to August 2025**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Vijayawada, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

MEMORANDUM OF UNDERSTANDING

05/07/2021

Respected Sir/Madam,

Subject: Lakireddy Bali Reddy College of Engineering requesting an MoU with Vikas Group of Institutions-reg

Greetings from Lakireddy Bali Reddy College of Engineering

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MoU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding, dated 21 June 2018 and this is entered between **Vikas Group of Institutions, Nunna** represented by Dr B. Rama Mohan Rao, Principal/Director and **VXL IT Academy, Vijayawada**, represented by its Managing Director.

The Memorandum of Understanding states the terms and conditions under which on-site training programmes shall be conducted by VXL IT Academy, Vijayawada and lists here in the respective responsibilities of the institute and VXL IT Academy, Vijayawada.

1. VXL IT Academy, Vijayawada SHALL PROVIDE

- ❖ Training to the students on advanced Embedded systems, new technologies.
- ❖ Necessary course materials and certificate on course completion
- ❖ The technical facilities and support to the students to carryout Industrial orientated Minor & Major projects which contribute technology development.
- ❖ Permission to the students for Industrial visit for the practical exposure and insights to the real working environment.
- ❖ Expertise on Re-engineering with cost reduction and Reverse engineering to the faculty members
- ❖ Mutual sharing of the knowledge to lead solution on contemporary issues

2. VIKAS GROUP OF INSTITUTIONS, NUNNA, VIJAYAWADA WILL PROVIDE

- ❖ Computer lab with relevant hardware facilities for the conduct of the practical sessions.
- ❖ LCD projector and classroom facilities for theory sessions.
- ❖ Disciplinary support for the smooth conduct and timely completion of the entire course.
- ❖ 100% attendance from the students.

3. PARTICIPANTS

The students of the final, third and second year are eligible to avail the relevant course offering specific to their discipline.

Note:

- ❖ The training missed will not be repeated on any account
- ❖ Students once enrolled cannot drop out
- ❖ In the event someone drops out, the fee paid by the trainee will be forfeited

4. COURSE CONTENTS

The scope of the programme will be to strengthen and impart a deeper understanding and appreciation of the concepts and practice of Embedded systems
